

1 Product Identifiers

Product name: Methoxy-Eg₁₁₂-azide, mPEG₁₁₂-N₃, methoxypolyethylene glycol azide.

Catalogue number: Xmr-0003

Company: Exactmer Ltd., 52 Princes Gate, Exhibition Road, London SW7 2PG.

Email: info@exactmer.com

Tel: +44 (0) 77 5373 9755

2 Hazard Identification

Not a hazardous substance according to Regulation (EC) no. 1272/2008.

Not classified as dangerous according to Directive 67/548/EEC or respective national laws.

Health Effects	Eyes: Unknown
	Skin: Unknown
	Inhalation: Unknown
	Ingestion: Unknown

3 Composition/Information on ingredients

Formula: C₂₂₅ H₄₅₁ N₃ O₁₁₃

Molecular weight: 5007.0

CAS no.: 89485-61-0

4 First aid measures

Skin: Wash thoroughly with soap and water.

Eyes: Rinse thoroughly with copious water.

Inhalation: Immediately move to fresh air. If breathing becomes difficult seek medical assistance.

Ingestion: Wash out mouth with copious water. Seek medical assistance.

5 Firefighting measures

Extinguishing media: Foam, water, dry chemical, CO₂.

Firefighting advice: Wear self-contained breathing apparatus and protective suit.

6 Accidental release

Wear appropriate protective equipment. Avoid breathing mists, gases or vapours and ensure good ventilation.

Do not allow to enter drains or water courses.

7 Handling and storage

Should only be handled by properly qualified personnel. Once opened, should be re-sealed and stored upright at 2-8 deg. C.

8 Exposure controls/personal protection

Personal protective equipment: Safety goggles, labcoat and latex or nitrile gloves.

Engineering controls: Only use in a chemical fume cupboard.

9 Chemical and physical properties

Appearance: White solid

Odour: None

Boiling point: Not available

Melting point: Not available

Flash point: Not available

Density: Not available

Water solubility: Not available

10 Stability and reactivity

Storage stability: Stable under recommended storage conditions

Conditions to avoid: Strong oxidising agents.

Hazardous combustion products: Not available

11 Toxicological information

Acute toxicity: Not available

Skin irritation and corrosion: Not available

Sensitisation: Not available

12 Ecological information

No data available

13 Disposal

Via legally registered waste disposal agencies. Dissolve in an organic solvent and burn in a chemical incinerator, observing all environmental regulations.

14 Transport information

RID/ADR Not hazardous for road freight

IMDG Not hazardous for sea freight

ICAO/IATA Not hazardous for air freight

15 Regulatory information

Data sheet compiled in compliance with the requirements of Regulation (EC) No. 1907/2006.

Chemical safety assessment: Caution! No chemical safety assessment was carried out for this product.

16 Other information

The above information is believed to be correct, but is not exhaustive and should only be used as a guide. This information should not be taken as a guarantee or warranty, and Exactmer will not be held liable for any damage caused by handling or contact with this product.
